COMMENTS FROM THE TOWN MANAGER'S OFFICE

One coat of a paint compound has been applied to the town garage. Some might remember that a garage maintenance account was set up and approved at town meeting. Besides paying for the utilities and heat, the money will be used for repairs and improvements to the garage and salt shed. The compound that was applied to the garage improves the looks of the building and it should preserve the concrete blocks and make the building easier to heat.

A request for absentee ballots for the coming special town meeting was received by the town clerk. The town voted in 1936 to elect certain officers by secret ballot but the law did not have a provision for absentee ballots. The state enabling legislation that provides for absentee ballots was passed in 1961. The town of Bethel has never adopted the enabling legislation so absentee ballots can not be used at a town meeting or special town meeting. I believe the town should be given the opportunity to vote on the absentee provision of the state law. If a majority of the people feel that the absentee provision is a good thing, the provision can be approved and absentee ballots will be available at future town meetings.

The parking lines and cross walks were painted by a private firm this year. The job was a little less expensive than the past few years. A man with the experience and proper equipment can do a better job at a smaller cost. The highway crew has plenty of work so the whole thing worked out very well.

The employees of the highway crew who have a vacation coming will take it next week. Previous to 1964 the vacations were taken at different weeks and it seemed as though the crew was short nearly all summer. Last year the men all took their vacations the same week and everything worked much better.

Michael Houlihan

Patricia Saunders is a guest this week of Mary Jo Clements, Framingham, Mass.

NTL'S 19TH SUMMER IN BETHEL

The National Training Laboratories, of the National Education Association, Wash., D. C., opened its 19th summer laboratory sessions in Bethel, Maine on June 14. It is estimated that about 750 persons will have participated in NTL's programs being conducted throughout the period of June 14-August 6.

Session I, which ran from June 14-June 26, included the Sixth Annual Training Program in Higher Education and the 19th Annual Summer Laboratory in Human Relations Training (Session I), 130 participants (32 faculty members and 98 students) in the Higher Education Laboratory were present as members of teams from over 30 colleges and universities. 86 persons participated in the Human Relations Training Laboratory, a program for persons wishing to increase their self understanding, interpersonal effectiveness, confidence in working with others—as trainer, consultant, leader, administrator or colleague.

Session II, July 4-July 16, will include the second Human Relations Training Laboratory, the Sixth Annual Laboratories for Community Leadership Training and the Third Annual Laboratory in Personal Growth and Creative Expression. Attendance at the Community Program is in part by teams from community organizations and action programs. The National Council of Episcopal Churches, for example, is sending a 12-member team for the third year. The Personal Growth and Creative Expression Program is focused on the greater realization of self and individual potential and more satisfying interpersonal relations. All participants have previously attended a laboratory program.

The Fifth Annual Laboratories for School Administrators, the third Human Relations Training Laboratory and the Second Annual Laboratory in Conflict Management are being conducted.

BETHEL PLAYERS MET TUESDAY

The Bethel Players held their last official meeting of the year, Tuesday at the home of Mrs. Margaret Bean. There were seven members present, who discussed tentative activities for the summer.

It was suggested that members might enjoy attending some of the summer theaters or workshops in surrounding areas. If anyone is interested they should contact Mrs. Margaret Bean.

Plans for presenting more informative and interesting meetings in the fall were discussed. More details on this will be announced later.

It is hoped that more new faces will join in the fall for a new and interesting year.

left for home.

There were approximately 60 cars from Maine and New Hampshire. Besides the Model "T's" and "A's" and other more common antique autos, there was a 1912 Liberty Brush, a 1907 and 1918 Stanley Steamer, a 1930 LaSalle, a 1929 Essex, and many more.

Those attending from the Bethel area were Donald Baker with his Model "A", Richard Fraser and Linda Billings.

Sunday, June 27, the Mollycodd Chapter members attended a picnic tour at Bear Pond Park in North Turner. They gathered at noon for a picnic then swam. At two they went for a ride and along the way noticed a Cunningham Hearse.

Those attending from the Bethel area were Richard Fraser with his 1921 Model "T", Express Wagon, Linda Billings, Donald Baker with his 1931 Model "A" Tudor Sedan, and Hugh Chapman with his 1935 Chevrolet Coupe.
